

Innovationen aus erster Hand: unsere Speakers' Corner

Halle 19/20, Stand A51

	Montag 16.09.2024	Dienstag 17.09.2024	Mittwoch 18.09.2024
10:00			Software factory, consulting and engineering Abhimanyu Chandra
10:30		In-vehicle SDV middleware ecosystem Uwe Maier	In-vehicle SDV middleware ecosystem Uwe Maier
11:00		Driving the future: Accelerating the SW-defined paradigm shift in transportation Erik Herzhauser	Driving the future: Accelerating the SW-defined paradigm shift in transportation Jochen Breidt
11:30		Enabling H ₂ storage for H ₂ based zero emission vehicles Clemens Bauer	Connected vehicle efficiency services Stefano Serra
12:00		Connected vehicle efficiency services Stefano Serra	Connected vehicle health services Markus Brochhaus
12:30		Connected vehicle health services Markus Brochhaus	Gate safety concept and consulting as a key element of yard automation Nico Graf
